

# GSM DESKTOP PHONE QUICK GUIDE

*Note: To return the phone's display panel to the standby screen, press the Escape key (⏏).*

ACTION	DESCRIPTION
<b>GETTING STARTED</b>	
<b>Initial Setup</b>	Locate the SIM card slot at the rear of the phone. To release the SIM cardholder, press the yellow button to the right of the cardholder with a pointed tool (pencil, paperclip, etc.). Insert the SIM card into the SIM cardholder –golden contacts up. Connect the phone's AC adapter.
<b>CALLS</b>	
<b>Making a Call</b>	Pick up the receiver or press the  key, dial the number and wait for the connection. When reading an SMS or viewing a missed/incoming/outgoing call, pick up the receiver and the phone will automatically dial the number of the viewed call.
<b>Answering a Call</b>	Pick up the receiver or press the  key. Press the <b>Reject</b> button on the LCD panel to cancel a call. Press the  key to silence a call's ringing.
<b>Ending a Call</b>	Hang up the receiver, press the  key or press the  key when using the speakerphone.
<b>Redialing the Last Number</b>	Press the <b>Redial</b> (  ) hot key or pickup the receiver and press the <b>Redial</b> button on the LCD panel.
<b>Missed Calls</b>	Press the <b>CALLS</b> (  ) hot key to access the missed calls registry.
<b>Call History</b>	To view the last ten incoming or outgoing calls, press the <b>Menu</b> button, select <b>Calls</b> , then select <b>Incoming calls</b> or <b>Outgoing calls</b> .
<b>Call Waiting</b>	To answer a waiting call, press the <b>Switch calls</b> button on the lower left side of the LCD panel. To end the current call, press the <b>End this call</b> button on the lower right side of the LCD panel.
<b>PHONEBOOK</b>	
<b>Opening the Phonebook</b>	There are three ways to open your phonebook: 1) Press the <b>Phonebook</b> key on the LCD panel; 2) Press the <b>NAMES</b> (  ) hot key; 3) From the standby screen, press the up (  ) scroll key or the down (  ) scroll key to automatically launch the phonebook's contact list.
<b>Searching or Editing a Name</b>	Press the <b>NAMES</b> (  ) hot key, and select <b>Search &amp; Edit</b> . Scroll through the names, then select  . It is also possible to search for a name by opening the phonebook's name list and typing the first few letters of a contact's name—the phone will automatically scroll to the name beginning with the letters entered.
<b>Adding a New Contact</b>	Press the <b>NAMES</b> (  ) hot key, select <b>Add new</b> , enter the name, press  , enter the phone number and press  . A <b>Number stored</b> message displayed on the LCD will confirm entry.
<b>Storing a Caller's Number</b>	To save a caller's number into your phonebook during a call, press the <b>Save</b> key on the LCD panel and enter the contact's name.
<b>SETTINGS</b>	
<b>Switching the Phone On or Off</b>	To switch the phone off, press and hold the  key until you see " <b>The phone is switching off...</b> " message on the display. To switch the phone on, press and hold the  key again until " <b>The phone is starting...</b> " message is displayed.

## GSM DESKTOP PHONE QUICK GUIDE
